EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.
2. The application has amended as follows:

In brief description of drawings

Page 6, lines 8 after phrase " the reading device." Please amend -- Figure 5 shows in detail, the dataflow within the service system. --.

Drawings

3. The drawings filed on April 22, 2004 are acceptable.

REASONS FOR ALLOWANCE

4. Claims 1-16 are allowable.
5. The following is an examiner's statement of reasons for allowance.

Art Unit: 2625

The instant invention generally relates to a method and a device for reading postal article inscriptions and document inscriptions. The closest prior art (Uhi et al) does not disclose or suggest, among other things, the scope of the agreed reading steps and further services as service types and, in a cost model, their costs as a function of defined image attributes, determining before each reading process, from data accompanying the images and core data, respective customer and respective reading task including image attributes which are required for cost determination, determined image attributes, and data accompanying the images, such that they can be searched and sorted on a time-related basis after carrying out the reading process for each image, determining costs incurred from a cost model included in core data by means of the stored data relating to the reading processes carried out, storing the determined costs such that they can be sorted on the basis of service types of the cost model and on the basis of service time periods.

These key features in combination with the other features of the claimed invention are neither taught nor suggested by the closest prior art of (Uhi et al).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
